PROFESSIONAL EXPERIENCE

Frontend ReactJs Developer

Sutradhar Project Consultancy Pvt Ltd
Pune | Sep 2022- Oct 2023

Bcore: Streamline and optimize supply chain operations with a cutting-edge application.

- Led the design, development, and deployment of a cutting-edge application to streamline and optimize supply chain operations, ensuring alignment with client requirements.
- Implemented automated testing frameworks, reducing software validation time by 30%.
- Collaborated with cross-functional teams to ensure seamless integration and enhanced usability of web applications.
- Maintained high standards of code integrity using version control tools like Git and adhered to best practices in software development.

Core Banking System: Streamline and optimize supply chain operations with a cutting-edge application.

- Handle confidential information and documents with discretion and maintain their proper organization
- Contributed to the creation of functional requirement documents and user guides, improving project documentation.
- Actively participated in Agile SCRUM team meetings, providing insights and solutions to enhance the development process.
- Utilized code versioning tools, such as Git, to manage and maintain codebase integrity

React Redux Developer (Trainee)

Masai School

Bangalore | Nov 2021 - Aug 2022

Ecommerce PharmEasy Clone, Tripoto Clone, Freshly:

- Specialized in front-end development with a focus on state management using Redux, contributing to efficient application state updates.
- Applied data structures and algorithms (DSA) to optimize application performance, enhancing user experience.
- Utilized responsive web design principles to ensure consistent layout across various devices, improving accessibility and user engagement. Acquired practical skills through hands-on projects and learning
- Enhanced user experience by integrating third-party libraries like React Router for seamless navigation.
- Applied responsive web design principles and CSS Flexbox/Grid for consistent layout across various devices.
